## CELEBRITY SEMINARS

Shari and Hutch began their dream RV road trip in the fall of 2012 with their restored and solar powered vintage “canned ham” camper and they aren't showing any signs of slowing down! Over the past 12 years, they've explored all 50 U.S. States and most of Canada all with solar power. As full-time digital nomads they work from the road, empowering people to get outside and turn their traveling dreams into reality. Join them for several RV lifestyle seminars during the show and discover how they've found “freedom in a can.”
